PART I-A.

NOTIFICATIONS RELATING TO LOCAL SELF-GOVERNMENT.

BYE-LAWS FRAMED BY THE CHIKMAGALUR TOWN MUNICIPAL COUNCIL UNDER SECTION 48 (1) (L) OF THE MYSORE MUNICIPAL REGULATION, VII OF 1906 FOR PROTECTING WATER SANCTIONED IN GOVERNMENT ORDER NO. 1838—ML.55-18-2, DATED 4TH AUGUST 1919.

Bye-law 1.—In these bye-laws—

Definition.

(i) "Private connection" means the pipes, with stopcocks and other apparatus connected therewith, by which water is supplied from Municipal water pipes to private premises.

(ii) "To stop a private connection", means to prevent water from entering into a private connection by turning a stop cock or otherwise without disconnection.

(iii) "To cut off a private connection" means to disconnect the private connection from Municipal pipes.

Application procedure.

Bye-law 2.—Private connections may be sanctioned by the President only on the application of the owner of the property or his authorised agent, or occupier of the building, with the written consent of the owner, or in the case of public buildings, by the trustees or managers thereof their agents, provided that it shall always be within the power of the Mrnicipal Council to grant or refuse such application.

Conditions on which private connections may be sanctioned.

Bye-law 3.—Private connections may be sanctioned by the President only on the following general conditions with such special conditions added as may be prescribed by the Municipal Council in any particular case:—

(*a*) That the applicant shall provide the Municipality with a plan showing how the pipes lie and where stop cocks and taps are situated according to the arrangements sanctioned by the President.

(*b*) That the applicant shall continue to pay the private connection water rate on due date until he has given a written notice to the President to cut off the connection, provided that any such notice given during the course of a half-year shall take effect at the commencement of the next official year.

Hours of supply.

Bye-law 4.—The President may from time to time by public notice prescribe the hours between which the private connections of the several localities are to be stopped provided that except in the case of urgent public exigencies, such stoppage shall not be prescribed for more than 16 hours in the day.

When private connections may be stopped or cut off.

Bye-law 5.—The President may at any time stop or cut off a private connection in any of the following events without any prejudice to the right of the Municipal Council to recover the arrears or the cost of cutting off and resporing the connection.

(*a*) In default of payment of water rate or other charges in respect of the private connection within 15 days of the date of the presentation of the bill, till all arrears are paid.

(*b*) In the case of breakage of or damage to pipes or of defects in the private connection till the breakage, damage or defect is made good to the satisfaction of the President.

(*c*) In the case of waste of water, till measures are taken to the satisfaction of the President to prevent the recurrence of such wastage.

(*d*) In case of the connection being without the permission of the President extended beyond what is shown in the sanctioned plan, until the extension is cut off.

Proviso.

Provided that the President shall immediately on taking such action give the owner of the private connection written information thereof.

General stoppage.

Bye-law 6.—The President may after due notice at any time temporarily stop all or any of the private connections when it appears to him necessary to do so in the interest of the public.

No compensation for stopping or cutting off private connections.

Bye-law 7.—No refund or revision of water rate or other charges and no compensation of any kind shall be claimable in respect of the stopping or cutting off of any private connection under this bye-law, nor shall such stoppage or cutting off relieve any person of any penalties or liabilities he may have incurred prior thereto.

Access to private connection to be permitted.

Bye-law 8.—Every owner or occupier of any premises through which a private connection passes shall, at all times, give the President and all persons bearing a written authority in this behalf from the President, free access to such premises, so far as necessary for the purpose of inspection of the private connection and every reasonable facility he may demand for such purpose provided that due regard be paid to the social and religious prejudices of the occupier.

Interference with Municipal Water works prohibited.

Bye-law 9.—No person shall interfere or tamper with any pipes, fittings or all other apparatus connected with the Municipal Water works.

Wastage and sale of water prohibited.

Bye-law 10.—No occupier of any building or property having a private connection shal waste or sell the water thereof or apply it to purposes other than those for which he is at liberty to use it under the rules, bye-laws or orders from time to time existing on the subject or allow any one not being occupier of such building or property to make any use of such water.

Bye-law 11.—No occupier of any building or property having a private supply of water shall allow the pipes, works or fittings connected therewith to get out of repair to such an extent as to cause waste of water.

Bathing and washing at public watering places prohibited.

Bye-law 12.—No person shall bathe or wash or cleanse or cause to be washed or cleaned his body or that of another or any vehicle, carriage, cart or animal or anything whatsoever in or upon or by the side of any public stand pipe, cistern, stand-post, trough or bhistis' service; provided always that the rinsing of vessels intended for carrying water shall not be forbidden, and that nothing shall be deemed an offence against this bye-law which is done at a watering place in persuance of the special permission of the President notified by public notice posted there.

Removal of water for other than prescribed purposes prohibited.

Bye-law 13.—When the President has by order conspicuously posted on the site of any public stand-pipe, cistern, trough, bhistis' service declared the water supplied there reserved for any particular purpose, no person shall take water from the said stand-pipe, cistern, trough, or bhistis' service for any purpose other than that for which the water is for the time being so reserved.

Obstruction prohibited.

Bye-law 14.—No person shall obstruct any other person taking water from any public stand-pipe, cistern, trough or bhistis' service.

Watering animals prohibited.

Bye-law 15.—No person shall water any animal at any public stand-pipe, cistern or bhistis' service except at places prescribed by the President for that purpose by notice posted thereat.
